

Dear Partner in Ministry

“Now, brothers, I want to remind you of the gospel I preached to you, which you received and on which you have taken your stand. By this gospel you are saved, if you hold firmly to the work I preached to you. Otherwise, you have believed in vain. For what I received I passed on to you as of first importance: that Christ died for our sins according to the Scriptures, that He was buried, that He was raised on the third day according to the scriptures,” I Corinthians 15:1-4

Greetings to you on behalf of the staff at Children's Camps International. We come to you today because Christ lives in us & we are so excited about the way He is working in & through CCI. We are amazed at the way God has opened doors so that we can be a part of His gospel spreading throughout many countries. We pray that you too will want to be a part of this exciting opportunity.

For those of you who aren't familiar with Children's Camps International, we are a ministry that is working in the developing world. Together with indigenous churches, we're training young leaders to build relationships with children using the exciting method of children's camping programs. The result: churches are growing, young leaders are taking initiative and serving their churches and thousands of children are coming to know the Lord.

We are partnering with developing countries such as India, Nepal, Cambodia, Sri Lanka, Kenya, Fiji, Cuba and Belize, to bring the gospel message to the children, from there it pours out into their families and communities.

We are looking for those who have a heart for missions and want to see the gospel of Christ spread. We understand that each organization we partner with is unique & one project may not suit everyone. Therefore, we have different opportunities for you, which can be started at any time during the year.

**One option is the Kids 4 Kids Project.**

Children or families simply collect change in the Kids 4 Kids box that they can make themselves or have mailed to them. Pocket change can add up fast and collecting \$5 means a child can hear the gospel message at a camping program overseas. As well as have the opportunity to attend a follow-up program on a weekly basis throughout the year.

**A second option is the Connexions program**

You can transform an entire community for only \$35/month.

Your monthly contribution will sponsor:

50 campers to attend camping programs

Training for 5 young people to take leadership in church-run camp

Weekly follow-up and outreach programs for campers

Easter and Christmas outreach programs for the families of the children who attend camps

The “Joshua Program” - Equipping churches to reach out to neighboring communities

We look forward to talking with you & providing further information. You can find out more about Children's Camps International at [www.ccicamps.com](http://www.ccicamps.com).
