

Children's Camps  
International

All are precious...

Dear Parents,

We have an exciting project to tell you about! Recently your child also heard about this project in their Sunday School. We encourage you to talk to your child and ask questions about the village that their Sunday School has adopted.

Here's a glimpse into what we shared with your child...The Adopt A Village project is giving your child, along with their Sunday School, an opportunity to transform a whole village for only \$35/month. Their monthly contribution will sponsor: 50 campers to attend camping programs, training for 5 young people to take leadership in church-run camp, follow up and outreach programs, weekly follow up programs for campers, Easter and Christmas outreach programs for the families of the children who attend camps, and the "Joshua Program" -equipping churches to reach out to neighboring communities.

You might wonder, "What kind of impact can my child make in sponsoring a village?" The answer is much more than we could ever imagine! The main focus of Children's Camps International is sending children to camp. For many of these children this will be the first time they hear about a God who loves them ~ and that means they have value. It's a simple message but one that too many children haven't heard yet. Again, it doesn't stop there! We've seen these children become instant evangelists. Many share this message with their friends and family. Countless people have now heard the gospel message and have responded by turning their lives to Christ because someone sponsored a child to attend camp. One of our favorite stories of this happening is of an 84 year-old grandmother who was recently baptized. This woman came to know the Truth of the gospel because her granddaughter, a child who discovered Christ at camp, came home and told her. This isn't an isolated story. It is happening more than we could ever tell you about. Many churches have reported that since they began doing camping programs for children their church has doubled, tripled and even quadrupled in size!

If you have questions about this project or how you can do more to reach children in the developing world we encourage you to contact us at [K4K@ccicamps.com](mailto:K4K@ccicamps.com) or call us at (204) 331-4003. You can also check out our website at [www.ccicamps.com](http://www.ccicamps.com). We would love to talk to you.

God's Kingdom Worker,

Cheryl Enns  
Ministry Representative for  
Children's Camps International
