 Children's Camps
International

We can all be superheroes

We can all be superheroes

What is the Kids 4 Kids change collection box project?

It's an exciting way to get kids actively involved in the dynamic ministry of Children's Camps International. K4K was the idea of people like yourself who were looking for a way to get the children they work with involved in supporting missions work.

When a child collects \$5 in the K4K change collection box it gives a child in a developing country the opportunity to attend a camp where they will hear the truth of the gospel. This includes year-round, weekly follow-up from caring, indigenous church leaders.

The task is perfectly kid sized but has a
"SUPERHERO" sized impact.

Who benefits from this project?

This project really benefits both those who collect and those who receive. What a blessing it is to be part of giving hope to a children in a country like India where hundreds of millions of child have not heard about a God who loves them.

How can my children's group get involved?

It's a simple phone call or email away. If you would like a representative to present this project to your group we would be happy to arrange it.

About Children's Camps International

Since 2003 CCI has been striving to bring the message of hope to children in the developing world. CCI works with local, indigenous churches helping them to train youth to reach out to the children of their community with effective, ongoing ministry. It's a work that extends far beyond just one week. Each camper receives nurture the whole year through. Please see our website for more details.
